

BDS 51/180 C Adv

Very comfortable and powerful single disc machine with maintenance-free planet carrier and large working width for an especially high area coverage.

1 Optional tank on the motor casing

- Central weight distribution for increased contact pressure while also being light to carry.
- Very good accessibility and rapid removal in just one action. Convenient filling at the sink.

2 Handle can be completely folded down

- Machine requires significantly less storage space.
- Compact dimensions - ideal for transport, for example in a car.

3 High quality

- High-performance motor and all-metal planet carrier.
- Very robust and durable version and high torque for efficient operation.

4 Wide, ergonomic handle

- Two robust oval aluminium bars for good balance and effortless operation.
- Good application of force is possible.

BDS 51/180 C Adv

- Extra large working width
- Powerful and versatile
- Extremely robust
