

## FICHE TECHNIQUE

### Ref. 688-PF

#### Raw colour knitted cotton glove and elastic cuff.

Applications: General Handling Glove for tasks requiring greater sensitivity (auto, cleaning, photography, small parts...).

#### Features and Advantages

- 100% cotton glove with elastic cuff.
- Very comfortable, warm and with a high dexterity.
- Being 100% cotton it is comfortable, breathable and absorbs sweat very well.
- Elastic cuff that keeps the inside of the glove dry and keeps dirt out.
- For use for warmth under colder gloves (PVC, rubber, dielectric gloves).
